RFP-LA-01-24 (Office space for lease at a single location for the MD 529)

1. There are 2 future growth positions (Accountant Advanced and Fiscal Services Admin I), that don't have square footage assigned to them but are included in headcounts. Are they to have space assigned to them in this program or do they share office space with others?

A: The Accountant Advanced and Fiscal Services roles that do not have space allocated to them will share offices on alternate days with the positions above them (Administrative Officer III and Fiscal Accounts Clerk II, respectively). It will be two 110 SF offices shared between the four positions.
