

Electronic Product Disposal Specification

Electronic products must be recycled.

“Electronic product” means a product accepted for recycling by:

- A certified e-Stewards recycler; OR
- An R2-certified recycler.

The State of Maryland, in accordance with State Finance and Procurement Article §14–415, requires that electronics recycling contractors:

- be R2 or e–Stewards certified; or
- meet nationally recognized and consensus–based guidelines, standards, and systems for recycling that are approved by the Department of the Environment in consultation with the Department of General Services.

The Contractor must provide experience in the handling and recycling of electronic materials.
