

**STATE OF MARYLAND**  
**R.F.P. LA-03-22**  
**SPECIFIC REQUIREMENTS**

**NOTICE** – The Department of General Services Office of Real Estate has contracted with and has authorized CBRE, to serve in the capacity of Exclusive Tenant Representative (Broker) for commercial leases where the State is the Tenant. CBRE has engaged Birch Associates, to assist in this effort. As customary, the Broker’s commission will be the responsibility of the Landlord executing a lease with the State and will be due in its entirety upon approval by the Board of Public Works.

The State of Maryland requires office space for lease for the **Maryland Department of Health:**

**1. Requirements**

1.1 Type and amount:

- Option #1 (Single Building Option):  
339,676 net square feet (NSF) of administrative office space with client contact in a singular location as further defined in Section 1.5.4 below.
- Option #2(Two Building Option):  
343,796 net square feet (NSF) of administrative office space with client contact in two separate locations as further defined in Section 1.5.4 below.

1.2 Location

Baltimore City, specifically within the following boundaries:

- North: The Southern side of Route 40
- East: The Western side of Interstate 83
- South: The Northern side of Pratt Street
- West: The Eastern side of Martin Luther King Boulevard

1.3 Term

- Option #1:  
Original Term– Ten (10) years  
Renewal Term(s) – Two (2) for five (5) years
- Option #2:  
Original Term– Fifteen (15) years  
Renewal Term(s) – One (1) for five (5) years

1.4 Offerors shall submit proposals in accordance with the requirements contained in this Request for Proposals (“RFP”), the Department of General Services Office of Real Estate General Performance Standards and Specifications for State of Maryland Leased Facilities as of 7/2013 (“Performance Standards”) as amended by this RFP. All improvements necessary to bring the space into compliance with the Performance Standards by the required delivery time shall be made by the Offeror and at the Offeror’s expense.

- 1.5 Using the NSF and space program provided herein (“Space Program”), Offerors must indicate the net usable square feet (NUSF as defined in the Performance Standards) required to complete the project at its proposed facility. The measured NUSF will be what is listed in all documentation and will be the figure all economics are derived from.
- 1.5.1 As an exhibit to its RFP submission, Offerors must include a proposed test-fit to support its NUSF measurement. The test fit should be detailed to provide the NUSF measurement of each individual program requirement listed on the provided space program. When completing the test fit, the space program attached as an exhibit to this document should be used to detail agencies and business units that will be required to be located within proximity to each other. Any other specific program requirements will also be found detailed in that area.
- 1.5.2 All Staff and special purpose requirements of the Developmental Disabilities Administration, and of Department N210 of the Public Health Services section will need to allow for client access. Ideally the client space would be located at street level of any proposed site with its own separate entrance, but in no event can these departments share a suite or floor with any other administrative portions of the program.
- 1.5.3 The space is to be designed with all enclosed rooms/offices located along the interior of the proposed space, and all open workstations should be situated along the window line of the space/exterior wall to allow maximum natural light in the space.
- 1.5.4. If Offerors are required to make changes to their proposed plan/ test fit they will have the ability to adjust their NUSF by +/- 5%, however the proposed annual rent cannot increase beyond their initial proposal even if there is an increase in square footage.
- 1.5.5. Offerors are permitted to provide up to two separate locations to accommodate the total requirement so long as the main entrances to the buildings are no more than two (2) city blocks from each other. Additionally, the following using units are required to be located within the same building in the scenario that multiple buildings are being proposed:

**Headquarters Location**

Office of the Secretary  
Office of the Attorney General  
Operations  
Public Health Services

### **Secondary Location**

Behavioral Health Administration  
Developmental Disabilities Administration  
Health Care Financing  
Boards and Commissions

- 1.6 The proposed rental rate for the 5-year option term will be negotiated prior to the commencement of the renewal term.
- 1.7 By submitting a proposal in response to this RFP the Offeror, if selected for award, shall be deemed to have accepted the terms and conditions of this RFP, the attached Standard State Lease Form and Addendum A and the Performance Standards, as amended by this RFP, and excluding Section A, subsection E, Selection Criteria. A red-lined document reflecting any proposed changes to the Standard State Lease Form and Addendum A must be submitted with the technical proposal package. Any exceptions to the aforementioned documents will be taken into consideration when evaluating the Offeror's proposal. The Procurement Officer reserves the right to accept or reject any proposed changes to the Standard State Lease Form and Addendum A.
- 1.8 Offerors may be required to make oral presentations to State representatives during the site visit process. Oral presentations are considered part of the Technical Proposal. Offerors must confirm in writing any substantive oral clarification of, or change in, their Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror's Proposal. The Procurement Officer will notify Offerors of the time and place of oral presentations/site visit(s).
- 1.9 Multiple or Alternative proposals will not be accepted.
- 1.10 Any protest or dispute related to this solicitation or the Contract award shall be subject to the provisions of COMAR 21.10 (Administrative and Civil Remedies).
- 1.11 Any proposal that does not meet the above requirements and/or fails to include any of the above requirements will be deemed not reasonably susceptible for award.

## **2. Procurement Instructions**

- 2.1 Offerors must submit the financial and technical portions of their RFP Proposals in separate sealed envelopes and labeled respectively. Failure to do so will result in an inability for the procurement team to review the submission.
  - 2.1.1 Technical Proposals must be in PDF format.
  - 2.1.2 "The Department of General Services, Financial Proposal, Offer to Lease Space to the State of Maryland" (**Attachment 1**) constitutes the entirety of the Price Proposal that is required to be submitted.

- 2.2 Offerors must acknowledge that they have read the attached Executive Order 01.01.2009.12 for Transit Oriented Development in their Technical Proposal.
- 2.3 Offerors are required to be registered and in “good standing” with the Maryland Department of Assessments and Taxation. Offerors must submit a certificate of status reflecting good standing status at the time of RFP submission in their Technical Proposal.
- 2.4 An online/virtual pre-proposal conference will be held on **Thursday, January 6, 2022, at 1:00 PM EST** to provide context to this RFP. Pre-proposal conference invitations will be sent to all parties that have requested a proposal package and have identified in the request the building(s) they intend to offer by e-mailing [dgs.re-bidsproposals@maryland.gov](mailto:dgs.re-bidsproposals@maryland.gov).
- 2.5 All questions must be submitted in writing to the attention of Kimberly White at [dgs.re-bidsproposals@maryland.gov](mailto:dgs.re-bidsproposals@maryland.gov) with the subject line being “RFP LA 03-22 Questions” no later than **Wednesday, January 12, 2022, by 5:00 PM EST**. Any questions submitted verbally or to any place other than the provided e-mail address will be disregarded.
- 2.6 Proposals must be received on **Thursday, February 10, 2022, by 3:30 PM EST**.
- 2.7 Information on other pending Request for Proposals (RFP) for lease space may be found on the DGS website at [www.dgs.maryland.gov/Pages/RealEstate/index.aspx](http://www.dgs.maryland.gov/Pages/RealEstate/index.aspx)

### **3. Minimum Qualifications**

The following qualifications/specifications, in addition to those found in Section 1 (Requirements) must be complied with/provided. Whenever these special qualifications/specifications conflict with the specifications contained elsewhere in this proposal package, these special qualifications/specifications shall prevail:

- 3.1 Offeror must indicate the location and costs to the State, associated with parking. A minimum of 1,101 total parking spaces must be provided with a breakdown as follows:
  - 3.1.1 Seventy-nine (79) of the proposed spaces must be located on-site for MDH fleet vehicles in a designated area. All fleet vehicle spaces are required to have electric vehicle charging stations. An additional 10 on-site parking spaces will be required to be reserved/named spaces for executive level leadership. Offerors proposing Option #2, Two Building Option, must include all of the executive level parking must be in the same building as the Office of the Secretary.
  - 3.1.2 The remaining 1,012 parking spaces are permitted to be off-site parking. Off-site parking is defined as any parking area within 200 yards of the main entrance to the proposed building. If an Offer is proposing Option

#2, Two Building Option, the off-site parking must be within 200 yards of each main building entrances.

3.1.3 Offeror must allow MDH to convert the additional on-site parking spaces to electric vehicle charging stations at MDH's expense should MDH choose to do so in the future.

3.1.4 24/7 access to the parking area is required. The agency must be able to access parking areas 24 hours per day, 7 days per week including holidays.

3.2 Proximity to Multiple Modes of Transportation:

Every submission is mapped to track the availability and distance to light rail, metro, and bus lines.

3.2.1 Offeror must have 4 different bus lines within 2 blocks of the proposed site or sites; and

3.2.2 Offeror must have light rail or metro access within ½ mile of the proposed site or sites.

3.3 24/7 security at the building(s) and at the parking area, maintenance coverage, and property management will be required. All proposed sites must have security personnel on site 24 hours per day, 7 days per week including holidays. Security personnel are not required to be for the exclusive use of the State, but must be staffed 24 hours per day, 7 days per week. On-call Property Management and maintenance coverage is required 24 hours per day, 7 days per week. Proposer must be able to meet the requirement to acknowledge and respond to all service calls within 24 hours of the call being placed. In cases of emergency the expected response time will be no more than two hours of the call being placed. If the proposed site does not currently have the required security personnel on site or maintenance/property management on call, the landlord must commit to having the required services in place prior to the State accepting the space for occupancy.

3.4 The State requires access to the proposed space 24 hours per day, 7 days per week including holidays.

3.5 Prior to the State accepting the space of occupancy the landlord must install an auxiliary generator for the State's exclusive use. Minimum requirements for emergency generators in both single and multiple building scenarios are attached to this RFP as an exhibit.

3.6 All floors occupied by MDH are required to be keycard access from elevators and stairwells. If a proposed portion of the space is on a multi-tenanted floor MDH's suite entry will be required to have keycard-controlled access.

Failure to meet any of the above Minimum Qualifications will result in the Offeror's Technical Proposal being rejected.

#### **4. Evaluation and Selection Process**

Evaluation of Proposals will be performed in accordance with COMAR 21.05.03 by a committee established for that purpose (the "Evaluation Committee") and based on the evaluation criteria set forth below. The Evaluation Committee will review proposals, participate in Offeror oral presentations and discussions, tour potential building locations and provide input to the Procurement Officer. The Department reserves the right to utilize the services of individuals outside of the established Evaluation Committee for advice and assistance, as deemed appropriate. During the evaluation process, the Procurement Officer may determine at any time that a particular Offeror is not susceptible for award.

##### **4.1 Technical Proposal Evaluation Criteria**

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance. Unless stated otherwise, any sub-criteria within each criterion have equal weight.

##### **4.1.1 Agency program consideration, efficiency of building layout, etc.**

Offerors are judged based on their ability to meet the specific needs outlined in the "Requirements" portion of this RFP and the attached Space Program. The ability to lay out the space in a format that creates operational efficiencies will also be evaluated. Layout of the building including column spacing, irregular space configurations, long narrow runs of space, and atriums, light wells or other areas interrupting contiguous spaces, or any other unusual building features will be evaluated. Additional consideration will be given to street level client access space.

##### **4.1.2 Access to Retail and Outdoor Amenities.** Offeror's Proposals are judged based on the availability of the following amenities within a 2-block radius of each building proposed:

- Pharmacy
- Dry Cleaner
- Gym/ Fitness
- Restaurant
- Parking Garage(s)

##### **4.1.3 Indoor Amenities**

Responses will be evaluated on the availability of building amenities. These amenities include the availability of tenant conference centers/facilities, fitness centers, on-site food service options/restaurants, concierge service, and any other amenity that the Offeror provides to tenants in the building.

- 4.1.4 **Ease of access by the public.** Walkability to the proposed site from public transportation will be evaluated with respect to the physical characteristics of the path of travel to enter the building from public transportation modes available to the building which will allow both a person with or without a temporary or permanent incapacity or disability to gain access to the building.
- 4.1.5 **Quality of outdoor environment.** Quality of outdoor environment will be evaluated for protection of noise interference, views from building windows on proposed floors, availability of or proximity to green space and access to walking paths/recreational areas.
- 4.1.6 **First Impression of facility appearance.** First impression of facility appearance will be evaluated for maintained landscaping, operating elevators, clean mats, cleanliness and maintenance of the interior and exterior of the building, building signage condition, lobby and common area lighting, recent building renovations/common area upgrades and maintenance, and general condition of building façade.
- 4.1.7 **Conformity of Use.** Offeror's proposed location/building will be evaluated on whether it is surrounded by other similar office buildings as opposed to industrial buildings, medical/institutional education buildings, and residential buildings.
- 4.1.8 **Distance to Other State Agencies.** Offeror's proposed location/building will be evaluated on being within a 2-block radius of another State agency.

## 4.2 Financial Proposal Evaluation Criteria

The Financial Proposal Form (Attachment 1) is used to calculate the Offeror's Total Net Effective Rent. The Net Effective Rent is used as the basis for the Offeror's fully evaluated financial rating. The criteria to be used to evaluate each Financial Proposal are listed below in descending order of importance. Unless stated otherwise, any sub-criteria within each criterion have equal weight.

- 4.2.1 **Net Effective Rent:**  
The Net Effective Rent is inclusive of base rental rate, annual escalations, operating expense structure, rent abatement, parking costs, and any other miscellaneous pass-throughs proposed by the offeror.
- 4.2.2 The full point total is awarded to the lowest proposed annual net effective rent while each successive response receives a score that is proportionately reduced based upon the percentage difference from the lowest annual net effective rent.

#### 4.2.3 Turn-Key Buildout:

The proposal will be evaluated based on whether Offeror elects to complete the proposed build-out per the RFP as turnkey. A turnkey buildout is defined as one that the Offeror assumes the entire cost of construction and will not be eligible for excess fit-up reimbursement per the DGS construction process.

#### 4.2.4 Janitorial Provided by Landlord:

It is always the State's preference for the procurement of janitorial services to be the responsibility of the Landlord.

#### 4.2.5 Pass Through Costs:

- The three main operating expenses Landlords can pass through to the State are janitorial, utilities, and real estate taxes. All Offerors have the option of procuring these services on behalf of the State, or directly passing through the cost/responsibility to the using agency. If the offeror chooses to assume procurement responsibilities, they also have the option to cover any increases over a base year, or to pass that cost through to the State.
- The Offeror will receive consideration for any pass through the Offeror not only procures on behalf of the State, but also assumes the costs of any increases over the base year.

#### 4.2.6 Targeted Growth Zone, Revitalization Zone, Designated Transit Oriented Development (TOD):

- A **Targeted Growth Zone** is one that capitalizes on the state's influence on economic growth and development. These are existing communities and places designated by local governments indicating where they want state investment to support future growth. Consideration is given if the Offeror's site meets this qualification.
- **Revitalization Zones** are those within the boundaries of a Sustainable Community and help achieve the outcomes identified in a communities Sustainable Communities Action Plan. Consideration is given if the Offeror's site fits this qualification.
- **Designated Transit Oriented Developments (TOD)** are those that meet the definition of a dense, mixed-use deliberately planned development within a half-mile of transit stations that is designed to increase transit ridership. Consideration is given if the Offeror's site fits this qualification.

#### 4.2.7 State Energy Initiatives:

Offerors are given the opportunity to disclose the energy efficiency of their site by disclosing whether it has earned LEED Gold or Silver

classification, or by filling out a Tier I or Tier II energy efficiency checklist. Greater consideration will be given in descending order as follows:

LEED Gold  
LEED Silver  
Tier II Environmental and Energy Efficiency  
Tier I Environmental and Energy Efficiency

## **5 Selection Procedures**

### 5.1 General

- 5.1.1 The contract will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at COMAR 21.05.03. The CSP method allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the State may conduct discussions with all Offerors that have submitted Proposals that are determined to be reasonably susceptible of being selected for contract award or potentially so. However, the State reserves the right to make an award without holding discussions.
- 5.1.2 With or without discussions, the State may determine that an Offeror is not responsible, or the Offeror's proposal is not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to contract award.
- 5.1.3 The Procurement Officer may limit discussions and negotiations to only those responsible offerors that submitted the three best proposals based upon the procurement officer's preliminary review, in accordance with the evaluation factors, of all proposals received in response to the request for proposals.
- 5.1.4 When in the best interest of the State, the Procurement Officer may permit Qualified Offerors to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The State may make an award without issuing a request for BAFO. Only Offerors being classified as reasonably susceptible of being selected for award will be permitted to revise their initial Proposal in BAFOs.

### 5.2 Award Determination

Upon completion of the Technical Proposal and Financial Proposal evaluations and rankings, each Offeror will receive an overall ranking. The Procurement Officer will recommend award of the Contract to the responsible Offeror that submitted the Proposal determined to be the most advantageous to the State. In making this most advantageous Proposal

determination, financial factors will receive greater weight than technical factors. After obtaining the approval of this recommendation by the agency head or designee, the Maryland Board of Public Works, and all other required approvals and certification of funds by the appropriate fiscal authority, the procurement agency shall award the lease.
