PROPERTY COMPLIANCE PERIOD

Participating organizations (referred to as “donees” by the federal government) are required to use the property obtained through the program for a specific amount of time before the property can be sold, transferred or otherwise disposed of. The compliance period is often determined by the “original acquisition cost” of the item. The “original acquisition cost” is defined as the amount the federal government paid when it was initially purchased.

- Property must be used for the program approved for participation in the Federal Surplus Property program.
- All property must be placed into use within one year of the invoice date.
- Property is considered “in use” as soon as it is ready and able to serve its intended purpose.
- The compliance period varies according to item and donee type but is **at least** 12 months from date put into use.
 - For property valued at less than \$5,000 in original acquisition cost, the compliance period is 12 months from the date put into use.
 - For property valued at \$5,000 or more in original acquisition cost and all passenger motor vehicles, the compliance period is 18 months from the date put into use. Note: Items valued at \$5,000 or more and all passenger motor vehicles donated to **Service Educational Activities** would only be subject to a 12-month use period.
 - For items requiring special handling or use limitations for which a Conditional Transfer Document (CTD) must be signed, donee will adhere to the terms and conditions of use set forth on the CTD.
 - Some items, such as non-combat aircraft and vessels longer than 50 feet, have a compliance period of 60 months (5 years) from the date put into use.
 - Some items, such as combat aircraft and firearms, are considered “perpetual use.” Donee organizations do not obtain title or ownership to property designated “perpetual use” by the federal government. The compliance period is considered to be “perpetual” or ongoing on these items. If a donee has a perpetual use item that is no longer needed or used, then the donee must contact PADGS for return instructions. The donee may not dispose of a perpetual use item without prior, written approval from PADGS.
- DGS staff performs scheduled and unscheduled onsite property compliance visits to ensure the property is being used as represented. The donee agrees to make the property available for visual inspection by DGS staff in a timely manner.
- If the property is not paid for in full or is not being used or handled as required, the donee will be required, at its expense, to return the property to DGS or offer for transfer to another donee, as instructed by DGS.
- Property must be used and stored at the street address listed on page 2 of this Application, or at other appropriate donee-managed satellite locations (for example, county precinct barns, district fire stations, school campuses, maintenance/transportation warehouse). Property may not be removed indefinitely from an approved location without prior, written approval from DGS.
- Property may not be stored at a personal residence, unrelated business or storage facility, or any other location that is not managed by the donee organization. Property is not intended for personal use; it must be readily accessible to all donee staff.
- Donees are required to complete reports regarding property use as a condition of participating in the program.
- **During the compliance period, the donee may not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently, for use outside the State, without the prior approval of GSA.**
- **If property is sold, transferred, or otherwise disposed of during the compliance period, the donee may be subject to penalties and fines, as well as possible state or federal prosecution.**

I understand and agree to the above terms and conditions regarding property compliance and reporting and the Certifications & Agreements on page 5.

Important Note for SBA8a Applicants: If applying as an SBA 8(a) business, I understand that the property compliance terms identified above do not apply to my business and that as an SBA 8(a) business I must follow SBA property compliance guidelines. Additionally, I understand that I may not have access to certain items – including aircraft or property with an original acquisition cost of \$5,000 or more – if my business is due to graduate from the SBA 8(a) program with insufficient time to cover the entire federally required compliance period for that item.
