A report must be furnished by the successful vendor every six (6) months detailing the purchase of all items on the contract. The report shall be submitted electronically in Excel format. As a minimum, the report shall reflect the contract number, contract item number and description, the dollar volume purchased of each item, agency identification, and the contract total. The report must be the report must be filed within thirty (30) days after the end of each reporting period. Any exception to this mandatory requirement may result in cancellation of the award. Failure to provide the report with the minimum required information may also negate any contract extension clauses. Report shall be emailed to the following address:
MARGARET.HAJIANTONI@DGS.STATE.MD.US

Duration: Contracts shall remain in effect for the time period and quantity specified unless the contract is terminated by the state. The state may terminate any contract without showing cause upon thirty (30) days written notice to the contractor.

Secure Facilities:
Security concerns vary statewide, but are especially important at correctional facilities and certain other facilities. Contractor's and subcontractors' employees shall comply with the security requirements at each facility. Authorized users are responsible for alerting contractor to these requirements before or while placing their first order.

Contractors are aware that common security restrictions include:
Identification: All of contractor's and subcontractors' employees, while working on state property, shall carry or display acceptable identification. Requirements vary by authorized user. For instance, some facilities require a visible photo-id badge, while others may require a valid driver's license instead.

Vehicle Security: In many locations, drivers shall turn off vehicle motors and lock cab doors whenever their truck is unattended.

Patient/Inmate Contact. Delivery personnel should minimize interaction with inmates or patients, and shall report any verbal contact to the authorized user before leaving the site.

Drivers who enter high security facilities shall have prior approval to enter from security staff, generally involving a background check to ensure that they are not convicted felons. Contractor shall bear the cost of the background check if required. At some facilities, trucks shall be searched prior to entry and exit, causing up to 30
