\(^2\) The 20-cent per hundredweight processor assessment is an obligation under the Fluid Milk Promotion Order (7CFR§1160.101 et seq.) imposed on any person who processes and markets commercially more than 3 million pounds of packaged fluid milk products on a monthly basis. Deliveries to consumer residences are excluded. Effective February 29, 2016, processors of certified "organic" and "100 percent organic" fluid milk products may apply for an organic assessment exemption for those products.
