Any other written order or an oral order, including a direction, instruction, interpretation, or determination from the Procurement Officer that causes or constitutes any such change shall be treated as a change order under this clause provided that the Contractor gives the Procurement Officer written notice stating the date, circumstances, and source of the order and that the Contractor regards the order as a change order.

Except as herein provided, no order, statement, or conduct of the Procurement Officer shall be treated as a change under this clause or entitle the Contractor to an equitable adjustment hereunder.

Subject to paragraph (6) of this subsection 26, if any change under this clause causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work under the contract, whether or not changed by an order, an equitable adjustment shall be made and the contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any order under (2) above shall be allowed for any costs incurred more than twenty (20) days before the Contractor gives written notice as therein required; and provided further, that in the case of defective specifications for which the State is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with such defective specifications.

If the Contractor intends to assert a claim for an equitable adjustment under this section, he shall do so in accordance with and subject to the disputes procedures of the contract.

Each contract modification or change order that affects contract price shall be subject to the prior written approval of the Procurement Officer and other appropriate authorities and to prior certification of the appropriate fiscal authority of fund availability and the effect of the
modification or change order on the contract budget or total cost. If, according to the
certification of the fiscal authority, the contract modification or change order will cause an increase
in cost that will exceed budgeted and available funds, the modification or change order may not
be made unless sufficient additional funds are made available or the scope of the contract is
adjusted to permit its completion within the project budget.

No claim by the Contractor for an equitable adjustment hereunder shall be allowed if asserted after
final payment is made under this contract.

As used in this section, “work” means any and all commodities, goods, materials, labor,
services, manner or time of delivery or performance, or other elements of performance required
to be furnished or supplied by the Contractor under this contract.

Miscellaneous: In the event of a dispute between the Department and the Contractor as to whether
any work is included in the scope of the contract such that the Contractor would be obligated to
provide that work at no additional cost to the State, the Procurement Officer may order the
Contractor under this section to perform the work (a “Work Order”). If the Contractor considers
such an order to be a change in the scope of the contract entitling the Contractor to additional
compensation, a time extension, or other relief, the Contractor must provide the notice required by
this section and initiate a claim therefore in accordance with contract requirements. An order of the
Procurement Officer, by virtue of being called or referred to as a “change order,” does not
necessarily constitute a change in the scope of the contract or in the work required under the
contract. The Contractor shall not be entitled to additional compensation, a time extension, or other
relief for complying with an order of the Procurement Officer if the contract otherwise
requires the Contractor to perform as stated in the order.

Upon receipt of a signed written order of the Procurement Officer under this section, the
Contractor shall comply with the order promptly, within the requirements of the required
completion or delivery time, whether or not the Contractor signs or accepts the change order.
Failure to comply with the order in a timely manner shall constitute a breach of the contract and
grounds for termination for default or any other remedy available to the State.

The State may issue a unilateral order on the State’s terms (including a promise to pay the
Contractor a “not to exceed” (“NTE”) amount) which the Contractor may then dispute in
accordance with the disputes procedures of the contract. Pending resolution of such a dispute, the
Contractor must proceed diligently with performance of the contract as ordered by the
Procurement Officer.

The terms “not to exceed” and “NTE” when used in a change order mean that the amount of the
change order (whether an increase or a decrease in the contract amount) will be a
reasonable amount not to exceed the amount stated.

27. RETENTION OF RECORDS:

The Contractor shall retain and maintain all records and documents relating to this contract for
three years after final payment by the State hereunder or any applicable statute of limitations,
whichever is longer, and shall make them available for inspection and audit by authorized
representatives of the State, including the procurement officer or designee, at all reasonable
times.

28. COMPLIANCE WITH LAWS:

The Contractor hereby represents and warrants that:

A. It is qualified to do business in the State of Maryland and that it will take such action as, from
time to time hereafter, may be necessary to remain so qualified;

B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;

C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

29. **COST AND PRICE CERTIFICATION:**

The Contractor by submitting cost or price information certifies that, to the best of its knowledge, the information submitted is accurate, complete, and current as of a mutually determined specified date prior to the conclusion of any price discussions or negotiations for:

A. A negotiated contract, if the total contract price is expected to exceed $100,000, or smaller amount set by the procurement officer; or

B. A change order or contract modification, expected to exceed $100,000, or smaller amount set by the procurement officer.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date agreed upon between the parties, was inaccurate, incomplete, or not current.

30. **BID / PROPOSAL AFFIDAVIT:**

Each Bidder or offeror shall execute and attach to the bid or proposal the affidavit included with this solicitation.

31. **CONTRACT AFFIDAVIT:**

The successful Bidder or offeror shall execute and deliver to the Procurement Officer prior to the award of the contract the Contract Affidavit included with this solicitation. (The Affidavit also can be found at COMAR 21.07.01.25).

32. **PUBLIC INFORMATION ACT NOTICE:**

Offerors should give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the State under the Access to Public Records Act, State Government Article, Title 10, Subtitle 6, Annotated Code of Maryland.

33. **MINORITY BUSINESS ENTERPRISE NOTICE:**

Minority Business Enterprises are encouraged to respond to this solicitation.

34. **ARREARAGES:**

By submitting a response to this solicitation, a vendor shall be deemed to represent that it is not in
arrears in the payment of any obligation due and owing the State of Maryland, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the contract if selected for contract award.

35. **MULTIPLE OR ALTERNATE BIDS:**

Unless multiple or alternate bids are requested in the solicitation, multiple or alternate bids may not be accepted. If the solicitation does not request multiple or alternate bids, if received they will be treated in accordance with COMAR 21.05.02.21.

36. **BPO AS CONTRACT:**

This provision applies to all procurement contracts procured by the Department of General Services except contracts for the procurement of architectural and engineering services for a price of greater than $200,000.

As used in this provision, a bid refers to a bid submitted under competitive sealed bidding and to an offer submitted under competitive sealed proposals.

As used in this provision, a Bidder refers to a Bidder under competitive sealed bidding and to an offeror under competitive sealed proposals.

As used in this provision, a solicitation means an invitation to bid, a request for proposals, or any other document requesting bids or proposals for procurement by the Department.

The Bidder’s execution and submission of a responsive bid constitutes a promise by the Bidder to perform the contract solicited by the Department in accordance with the terms and conditions stated in the solicitation. The bid shall be irrevocable for the period stated in the solicitation or for such longer period as the Bidder and the Department may agree.

Upon acceptance of a bid, the Procurement Officer may issue a Blanket Purchase Order (BPO), in a form to be determined by the Department, to the Bidder accepting the bid and binding the Bidder to a contract. The execution and issuance of a BPO by the Procurement Officer, subject to all necessary approvals, shall constitute acceptance of the bid and final award of the contract. The contract of the parties will be embodied in the contract documents, which shall consist of the executed BPO of the Procurement Officer, including all documents, terms, and conditions incorporated into those documents by the terms of the solicitation, the BPO, the bid, or by operation of law, and the executed bid of the Bidder. If the Procurement Officer issues a BPO, at the option of the Procurement Officer it will not be necessary for the Bidder to execute the BPO or any other form of contract or agreement. The Procurement Officer may require that the parties both execute a single document as the embodiment of the contract between the parties.

In the event of a conflict between provisions of the contract documents, the controlling provisions shall be, in the following order, those of:

The BPO; then The solicitation; and then

The bid.

37. **RETURNED GOODS:**

Contractor(s) shall be entitled to recover reasonable compensation for any and all goods shipped in accordance with authorized agency orders, meeting all contract requirements, and returned by the agency for reasons other than the Contractor’s failure to meet contract requirements. Compensation shall be limited to actual unreimbursed costs incurred by the Contractor including, but not limited to, restocking charges, shipping charges, plus reasonable profit. Contractor must provide written proof of claimed compensation. A return of goods covered by this section shall be
deemed a partial termination for convenience as to the returned goods, and other contract provisions
and principles applicable to a partial termination for convenience shall apply.

38. PURCHASES BY OTHER ENTITIES – INDEFINITE QUANTITY CONTRACTS:

A. This provision applies to indefinite quantity contracts.

the applicable purchasing power granted to any of the listed entities pursuant to any statutory
or charter provision.

D. All purchases under this contract by any such entity which is not a unit or agency of the State
of Maryland for which the State of Maryland may be held liable in contract (1) shall constitute
a purchase or contract between the Contractor and that entity only; (2) shall not constitute a
purchase or contract of the State of Maryland; (3) shall not be binding or enforceable against
the State of Maryland or any of its units or agencies; and may be subject to other terms and
conditions agreed to by the Contractor and the purchaser.

C. Contractor bears the risk of determining whether or not any entity from which the Contractor
receives an order under the contract is a unit or agency of the State of Maryland such that the
contract may be enforced against the State of Maryland.

39. CONTRACT ADMINISTRATION FEE:

A. Contractor shall pay a contract administration fee to the State in the amount of one percent (1%)
of the total contract sales. The contract administration fee is calculated based on all sales
transacted under the contract, minus any returns, adjustments, or credits. The contract
administration fee shall not be charged directly to the customer, e.g., as a separate line item, fee
or surcharge, but shall be included in the contract’s unit prices.

B. The contract administration fee shall be submitted to the Department of General Services, Fiscal
Services Division, 301 W. Preston Street, Room 1309, Baltimore, MD, 21201, within thirty (30)

Should an audit be required by the State, the contractor shall reimburse the State for all costs associated with the audit up to $10,000.00 or one (1%) percent of the contract’s estimated annual value, whichever is higher.

D. Prior to Award, Contractors will be asked to confirm in writing that their unit prices include the one percent (1%) contract administration fee.

IN WITNESS THEREOF, the parties agree to the Terms and Conditions incorporated as a part of this Contract as of the date hereinabove set forth.

Total Value of the Order multiplied by the applicable Monthly Rate Factor = Monthly Equipment Payment, plus applicable monthly meter rental and value based service fees, plus the monthly cost of service maintenance for years 2 thru end of initial term, plus any applicable taxes. multiplied by three (3) months = equals the Quarterly Payment.

For further clarification a 36 month rental based on a $10,000 equipment order would equal a $377.00 monthly equipment I payment multiplied by 3 months equaling a $1,131 quarterly lease payment. Applicable quarterly cost of service maintenance for years 2 thru end of initial term, quarterly meter rental and value based services fees, plus any taxes, if applicable, would be added to the Quarterly payment.

OPTION C – NASPO VALUEPOINT FAIR MARKET VALUE LEASE TERMS AND CONDITIONS:

Pitney Bowes Global Financial Services LLC will serve as a sub-contractor under ADSPO16-169897, as amended, and will be the Lessor under this Fair Market Value Lease Terms and Condition Agreement. PBGSFS does not warrant, service or otherwise support the equipment. Those services are provided by Pitney Bowes Inc. (PBI). Due to federal regulations, only PBI can own a Meter. This Agreement cannot be used for Production Equipment Categories (Production Ink Jet Envelope Addressing System, Production Tabbers, Insertor Production, Production Folder-Inserters, Pre-Sorting Equipment) awarded under ADSPO16-0006326 to Pitney Bowes Inc. State of Maryland agencies, facilities and departments cannot utilize this financing option. Political subdivisions of the State may utilize this financing option, excluding the terms and conditions of Section 14 “Termination for Convenience” within the State Participating Addendum Attachment A.

The Pricing Plan for the NASPO ValuePoint Fair Market Value Lease Terms and Conditions is as follows:

**Monthly Rate Factors:**

<table>
<thead>
<tr>
<th>Term</th>
<th>Lease Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>36</td>
<td>0.0342</td>
</tr>
<tr>
<td>48</td>
<td>0.0277</td>
</tr>
<tr>
<td>60</td>
<td>0.0237</td>
</tr>
</tbody>
</table>

Total Value of the Order multiplied by the applicable Monthly Rate Factor = Monthly Equipment Lease Payment, plus applicable monthly meter rental and value based service fees, plus the monthly cost of service maintenance for years 2 thru end of initial term, plus any applicable taxes, multiplied by three (3) months = equals the Quarterly Payment.

For further clarification a 36 month lease based on a $10,000.00 equipment order would equal a $342.00 monthly equipment lease payment multiplied by 3 months equaling a $1,026 quarterly lease payment. Applicable quarterly cost of service maintenance for years 2 thru end of initial term, quarterly meter rental and value based services fees, plus any taxes, if applicable, would be added to the Quarterly payment.

P1.4 Deferred Payment Terms. (a) By using the Program, you agree that whenever there is an unpaid balance outstanding on the Account which is not paid in full by the due date shown on your billing statement, the Bank will charge you, and you will pay, interest on the unpaid balance of the Account from time to time, for each day from the date the transaction is posted to the Account until the date the unpaid balance is paid in full, at a variable rate equal to the Annual Percentage Rate applicable to the Account from time to time. (b) (i) The Annual Percentage Rate applicable to the Account will be the greater of (a) 22% and (b) the sum of the highest "Prime Rate" published in the "Money Rates" section of The Wall Street Journal on the last business day of the month and the margin set forth below (the sum of the margin and the Prime Rate is herein called the "Floating Rate"). (ii) The Annual Percentage Rate will be adjusted on a monthly basis based on any fluctuation in the Floating Rate, if applicable. (iii) Any change in the Annual Percentage Rate based on the calculation described in this section will become effective on the first day of your next billing cycle. (iv) The margin which will be added to the Prime Rate to determine the Floating Rate will be 14.75% (using the Prime Rate in effect as of March 31, 2013, the daily periodic rate would be .049315% and the corresponding annual percentage rate would be 18.00%). (v) The Account balance that is subject to a finance charge each day will include (a) outstanding balances, minus any payments and credits received by the Bank on the Account that day, and (b) unpaid interest, fees, and other charges on the Account. (vi) The Bank will charge a minimum finance charge of $1.00 in any billing cycle if the finance charge as calculated above is less than $1.00. (vii) Each payment that you make will be applied to reduce the outstanding balance of the Account and replenish your available credit line. (viii) The Bank may refuse to extend further credit if the amount of a requested charge plus your existing balance exceeds your credit limit.

P1.5 Account Cancellation and Suspension. (a) The Bank may at any time close or suspend the Account, and may refuse to allow further charges to the Account. (b) Cancellation or suspension will not affect your obligation to pay any amounts you owe.
P1.6 **Amendments: Electronic Delivery: Termination.** (a) The Bank can amend any of the provisions and terms related to the Program at any time by written notice to you (including by electronic notice via the email address that is then on file for you). You are consenting to electronic delivery of any amendments to the Program terms. (b) Each time you use the Program, you are signifying your acceptance of the terms then in effect. (c) An amendment becomes effective on the date stated in the notice and will apply to any outstanding balance on the Account. (d) The Bank may terminate the Program at any time and will notify you in the event of any termination. (e) Any outstanding obligation will survive termination of the Program.

P1.7 **Governing Law.** The Program and any advances are governed by and construed in accordance with the laws of the State of Utah and applicable federal law.

P1.8 **USA PATRIOT Act.** (a) Federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account. (b) The Bank asks that you provide identifying information, including your address and taxpayer identification number. (c) The Bank may also ask for additional identifying information, where appropriate, including asking that your representative who is opening the Account provide his/her name, address, date of birth, driver’s license and/or other documents and information that will allow the Bank to identify him/her.
