INVITATION FOR BIDS (IFB)

SOLICITATION NO. MDDGS31045308 / 001B0600072

Issue Date: June 17, 2019

STATEWIDE CONTRACT
For
PRESORT MAILING SERVICES
SECTION 3 – SCOPE OF WORK

3.1 Background and Purpose

This specification pertains to the provision of the Maryland Department of General Services (DGS), with a contract to provide Presort Mail Service for the Department of General Services Managed Facilities. In addition to facilities managed by the State of Maryland's Department of General Services, this contract shall be made available for use by other Agencies or Institutions of the State of Maryland, referred to as “Users”.

The State is issuing this solicitation for the purposes of:

Soliciting bids to establish a term contract with a Contractor to pick up First Class Letters, Flats, Standard Mail, Permit and Certified Metered Mail from participating agencies at USPS Presort/Bar-Coded discount mail rates, presorted and presented to the USPS facility in accordance with the following and attached terms, conditions and requirements as specified herein. “Users” that are currently participating and their anticipated yearly volumes are listed in Attachment U (Participating State Agencies and Estimated Volumes).

3.2 Scope of Work - Requirements

3.2.1 CONTRACT REPRESENTATIVE

3.2.1.1 The Contractor shall designate a Contract Representative (CR) for the contract.

   The Contractor Representative shall:

   A. Have the ability to speak and write clearly in English.
   B. Have experience as a supervisor on a contract of this size and magnitude.
   C. Be designated for each participating agency.
   D. Be responsible for coordinating the services detailed in these specifications.

3.2.2 CONTRACTORS PICKUP AND DELIVERY REQUIREMENTS

3.2.2.1 The Contractor shall provide pick up of USPS properly metered mail from the State using agencies designated by the contract, at the locations designated by participating agencies or any alternate location designated by the agency.

3.2.2.2 Pick up times shall be scheduled and arranged by mutual written agreement between the State using agency and the Contractor. It shall be the Contractor's responsibility to contact and coordinate pick up times with all the State using agencies, prior to contract start up.

3.2.2.3 The Contractor shall pickup all mail between the hours of 3:00 p.m. and 4:30 p.m. All mail picked up during this time period shall be postmarked by the State Agency or Institution with the date of the next business day. The Contractor shall be responsible for presorting/bar-coding and transporting this mail to the presort acceptance unit of the USPS prior to the cut-off time for presort acceptance on the postmarked date.
3.2.2.4 All residual mail that does not qualify for pre-sort discounts shall be processed in accordance with the USPS rate within twenty-four (24) hours of receipt from the agency and delivered to the processing facility. The Contractor shall Pre-Pay all residual charges due to the USPS, for all mail not qualifying as presort, thereby guaranteeing a one hundred (100%) percent qualification on all pre-sortable daily mail. The residual/prepaid charges shall be reported to the participating State agency, on the weekly invoice for payment.

3.2.2.5 Return at no cost to the participating State agency/institution any certified/International or insured mail of any kind.

3.2.2.6 Sort each piece of mail into zip code sequence /zip + 4 / 3-digit barcode / 5 digit barcode.

3.2.2.7 Guarantee that all sorting/bar coding is performed according to the requirements of the USPS, and that the mail is delivered to the proper USPS designated facility by the appropriate deadline. All services shall be performed within the State of Maryland (see Section 3.2.2.17).

3.2.2.8 Contractor shall treat ALL pieces of mail processed under this contract as confidential and shall exercise all reasonable care and precaution to prevent any information derived from such items while in the possession of the contractor from being disclosed to any other party.

3.2.2.9 The contractor shall provide to each participating State User a three (3) part receipt form which contains the following information:

a. Date of pickup
b. Agency name and address
c. Agency/Institution’s Contract Representative and Courier’s signature
d. Any other information necessary to insure the integrity and accuracy of the volume.
e. Refund Amount for Residual Mail not qualifying as presort.

3.2.2.10 Distribution of the receipt copies shall be as follows:

a. First copy of the receipt shall be provided to the User at the time of pickup.
b. Second copy of the receipt shall accompany the weekly invoice to the User.

3.2.2.11 Prior to the effective date of the contract, the Contractor shall have all the necessary equipment and personnel, inclusive of the security requirements at the facility for which work will be performed under this contract.

3.2.2.12 Contractor’s facility shall be located within the Baltimore/Annapolis Metropolitan area.

3.2.2.13 The Contractor shall provide online National Change of Address (NCOA) updates for all mail processed under this contract, applying new forwarding addresses as required and forwarding any mail marked “Do Not Forward” back to the originating Agency.

3.2.2.14 The Contractor shall provide all trays and mail cages to various agencies at no charge.

3.2.2.15 Pre-Sort mail services under this contract shall be performed within the State of Maryland. Any mail taken out of the State of Maryland to be processed or postmarked shall be considered a breach of contract and shall be cause to consider the Contractor in default.
3.2.2.16 Pre-sort mail must be presented and processed through the main Baltimore SCF Postal Facility.

3.2.2.19 ALL mail must be in full compliance and use the USPS Intelligent Mail Barcode (IMB).

3.2.2.20 Failure to present to the USPS Presort Acceptance Unit (USPS-PAU) prior to the scheduled cut-off time of the postmarked date shall require the Contractor to incur any additional postage penalties. The State will not reimburse the Contractor for these additional charges.

3.2.2.21 Failure of the contractor to be fully operational at the scheduled facility by the contract start date, shall be considered a breach of contract and shall be cause to consider the Contractor in default.

3.2.3 REPORTING REQUIREMENTS

3.2.3.1 The Contractor shall have the capability to provide annual and monthly reports expressing the totals for all State Users under this contract.

3.2.3.2 Within five (5) days of award, the Contractor shall provide a daily pickup schedule for all participating Users to the Procurement Officer and to each participating agency.

3.2.3.3 Within the first 90 (ninety) days of the contract and/or within 60 (sixty) days of the addition of any new participating State User, the Contractor shall determine the OCR (Optical Character Reader) Readable status of individual mail streams for each participating User, and shall provide each participating User, with a report of the OCR readability of their mail, inclusive of the Contract Monitor:

A. The OCR readability report shall include, but not be limited to, the following information:

1. Percentage of mail that is OCR readable
2. Volume of mail tested

B. Upon request, by any participating State User, the contractor shall provide:

1. Instructions,
2. Printed material,
3. and guidance for the purpose of increasing volume of OCR readable mail.

3.2.3.4 The Contractor shall provide, no later than the 10th day of each month, a single report detailing each participating Users monthly volume and cost savings generated by presorting to the Contract Monitor (CM).

3.2.3.5 The report shall be provided in Microsoft Excel or compatible electronic spreadsheet format and shall include, but not be limited to, the following:

A. Agency Name & Pickup Location
B. Contact Person
C. Monthly and Year to Date Billing Amount and Cost Savings
D. Daily mail delivered to the USPS within 24 hours

1. Lettered Mail
2. Flat Mail
3. Standard Mail
4. Permit Mail
5. Certified Mail

3.2.3.6 The Contractor shall provide the State agencies and the Annapolis mailroom with a weekly breakdown of all of the mail by Agency and the various Zip Code categories they fall under. The weekly breakdown shall be submitted to the Contract Monitor or designee.

3.2.3.7 The Contractor shall on a weekly basis supply to each State User, an operations analysis that defines the following information for each Agency.

A. Total mail pieces processed,

B. Total mail pieces that qualified for the USPS first class Next Day Letter, Flat, Standard, Permit or Certified Mail Presort,

C. Total Mail pieces that are unqualified, inclusive of the total savings per invoice.

3.2.4 CONTRACTOR’S SECURITY REQUIREMENTS

NOTE: All of the requirements and control mechanisms are directly from the Presort Mail Security Standards/U.S.P.S., Inspectors Services for Presort Mail.

The Contractor shall:

3.2.4.1 Provide a Security control manual and submit it at the request of the Procurement Officer showing the company’s planned procedures and responsibilities. Employees must have a dedicated entrance and a security camera solely for this site.

3.2.4.2 Provide a secured staging area within an access-controlled building in view of a Supervisor and a dedicated camera if secured mail is kept overnight.

A. Emergency doors shall have certified alarms that are monitored and responsive to an outside agency.

B. The system shall be tested two (2) times a year and a log shall be maintained to document this testing.

C. Shipping and receiving docks shall be located so that public access is not possible while either activity is taking place and these doors must not remain open when not in use.

1. The exterior dock area shall be secured with fencing or drive-in dock area.

2. Closed circuit cameras must be strategically placed so that all areas where theft might occur are recorded. This must including loading docks, staging areas, and employee exits. A system that utilizes color, a multiplexer, and an additional VCR (video cassette recorder) for viewing tapes is recommended.
3. All video tapes shall be maintained for at least six (6) months.

3.2.4.3 Transportation Security:

A. Only vehicles that are marked shall be used to pick up and deliver mail.

B. All personnel assigned to transport mail using the company vehicles, shall wear identifiable company uniforms and possess secure company identification.

C. Each vehicle shall have a high security lock.

D. Accountable keys shall be issued only to authorized personnel.

E. The Contractor shall develop a contingency plan that shall be located in each vehicle for the driver’s to implement and use in response to vehicle breakdowns and delays.

F. All drivers shall be instructed to contact their base facility immediately to apprise management of any abnormalities or emergencies.

3.2.4.4 One (1) Hour Plan for Vehicle Repair and/or Replacement

A. Shall be developed and conveyed to the Contract Monitor.

B. The Contractor’s vehicles shall be designed to restrict the driver’s access to the mail contents in the vehicle.

C. Changes in transporting personnel shall be reported immediately and communicated to all agencies, customers and suppliers for security purposes and to prohibit unauthorized access by employees and/or former employees.

3.2.5 REJECTED MAIL

3.2.5.1 Mail pieces that have the address blanked out or the mail that has an undeliverable address, a foreign address or mail that needs additional postage; mail of this type shall be returned to the sender within seventy-two (72) hours from the date of pickup.

3.2.5.2 Mail that has an undeliverable address/name or mail pieces deemed in anyway eligible for “move update compliance” must be identified, Fast Forwarded & Out-Sorted.

3.2.6 INSPECTION

Prior to the award of a contract, representatives of the State shall be scheduled for a tour of the potential contractor’s facility in order to ascertain the capability of the contractor’s successful performance on this contract.

3.2.7 STATE USING AGENCIES RESPONSIBILITIES & REQUIREMENTS

3.2.7.1. ALL STATE USING AGENCIES SHALL:

A. Set up their own account with the Contractor.

B. Attach metered postage to each piece of mail with the correct rate and date.
C. Use a permit imprint for postage payment. This permit shall either be the Agencies own 
EPS permit with USPS; OR the Contractor’s EPS permit account (which will save on annual 
permit fees).

C. Endorse ALL MAIL with the presort imprint required by the USPS.

D. Ensure that all mail items for pick up are in approved USPS trays, furnished by the Contractor, 
faced in random zip code order with a maximum weight of two (2) ounces.

E. Ensure that ALL mail pieces over the maximum weight of 2.1 ounces to seven (7) ounces are 
put in separate trays. Tray size shall be: Two (2) feet trays approved by the USPS.

E. Separate Flats from Standard mail.

F. Release mail to be processed in accordance with the agreed schedule.

G. Agree to pay for residual postage on mail pieces that are not qualified for the presort/bar coded 
discount in accordance with the USPS regulations.

3.2.7.2 Volume Requirements for State Agencies

A. Using agencies benefiting from the discounts offered under the resulting contract, shall 
have a minimum of 10,000 pieces of mail processed on a weekly basis.

B. All agencies are strongly encouraged to commingle their mail with other agencies in close 
proximity, to establish a single pickup point, in order to obtain discounts. Agencies may 
also drop off mail at the vendor’s facility regardless of volume requirements, to achieve 
discounts.

3.2.7.3 Address Format

A. Shall be typed or printed for processing on automatic equipment

B. Shall not contain punctuation marks, except for the hyphen in the Zip Code (Zip + 4).

C. Shall be formatted with a uniformed left margin, unless designated by the USPS.

D. Intersection addresses shall not be used.

E. P. O. Box and Street addresses shall not be used together.

F. The rectangle containing the address shall be positioned as follows:

Minimum of 5/8” from the bottom edge of the envelope to the bottom of the last address 
line, to a maximum of 2-1/4” to 2-3/4” from the bottom edge of the envelope to the top 
of the first address line.

3.2.8 CONTRACT USAGE

This contract shall be available for use by other agencies of the State of Maryland, that within this 
specification meet the minimum volume requirement described, and that comply with all the agency 
requirements listed above.
3.2.9 TRAINING REQUIREMENTS

The successful contractor shall be required to coordinate and provide within 30 (thirty) days of contract award, a training seminar to key members of each using agency’s staff. A list of attendees will be generated by each using agency. The location for this training will be specified by the using agencies.

3.2.10 ADDITIONAL USERS

Additional users may be added or deleted from the contract at any time. When Users are added or deleted, the Procurement Officer shall be notified in writing by the Agency. This notification shall name the specific agency or institution to be added or deleted. These “Users” will be added or deleted at no additional charge to the Department of General Services. New Users shall be granted the same terms and pricing.

3.2.11 QUANTITIES

The State of Maryland cannot guarantee the quantities for letters and OCR readable mail that shall be pre-bar coded. The volumes supplied by the Users listed are estimates only and the does not guarantee a minimum or maximum number of units or usage in the performance of this Contract. The Contractor shall provide services at the contract prices for actual volumes as presented by each State agency, regardless of whether such total quantities are more or less than those shown.

3.2.12 HOLIDAY SCHEDULE

A. Presort Mailing Services shall be provided Monday through Friday, except on the following State holidays:

- New Year’s Day
- Martin Luther King Day
- Presidents’ Day
- Memorial Day
- Independence Day
- Labor Day
- Columbus Day
- Presidential Election Day
- Veteran’s Day
- Thanksgiving Day, and the
  Day after Thanksgiving
- Christmas Day

and any other State designated holiday.

3.2.13 BUILDING CLOSURES

A. Whenever State employees are excused early as the result of heavy snow accumulation or hazardous conditions, the Contractor must make every reasonable effort to continue to provide presort mailing services, unless the Contractor is authorized by the Contract Manager to suspend services due to inclement weather.

B. The Contractor shall not receive payment for the time services are suspended as a result of inclement weather on these days. The time for suspended services shall be deducted from the Contractor’s invoice for the week during the service suspension occurs.

3.2.14 Reductions For Non-Performance Or Failure To Meet Standards:

The following reductions shall be used in adjusting the Contractor’s invoice when the Contractor fails to perform any task required in these specifications or performs any task below the standards as required in these
specifications.

a. First occurrence - written documentation notice from the Contract Monitor to the contractor.

b. Second occurrence - written documentation and deduction of 1/60th of monthly invoice amount.

c. Third occurrence - written documentation and deduction of 1/30th of monthly invoice amount.

d. Reductions for "No Shows" may be based on the normal number of Contractor’s personnel assigned to the building multiplied by the hours normally worked by the Contractor.

e. Reductions for below standards work may be made if, after the second documented notification, the Contractor has not corrected the deficiency and State workers are assigned to perform the task. Reductions will be based on the hourly wage rate of the State employee assigned to perform the task times the hour/hours required for State workers to perform the task.

f. Reductions for non-performance may be made if the task was not done and State workers have to be assigned immediately to perform the task. Reductions will be based on the hourly wage rate of the State employee assigned to perform the task times the hour/hours required for State workers to perform the task.

g. The referenced conditions (examples) may result in Termination of Contract for Default by the Procurement Officer.

3.2.15 Disputes Arising From Reductions:

a. Should the Contractor dispute the validity of a reduction determination made by the Contract Monitor, he may appeal the reduction to the Superintendent within seven (7) calendar days of receiving notice of the reduction.

b. The Superintendent will review the reduction and make a written determination as to its validity within seven (7) days of the receipt of the appeal from the Contractor.

c. Should the Contractor disagree with the decision of the Superintendent, the Contractor may appeal the Superintendent’s decision to the Assistant Secretary for Facilities Operations and Maintenance, Annapolis Public Buildings and Grounds, 29 St. John’s Street, Annapolis, Maryland 21401 within seven (7) calendar days of the receipt of the Manager’s decision.

d. The Assistant Secretary for Facilities Operations and Maintenance shall review all documentation, evidence and arguments of the Contractor and the Contract Monitor and make a written determination as to the validity of the reduction within seven (7) days of receiving the appeal from the Contractor.

3.3 Security Requirements

3.3.1 Employee Identification

(a) Each person who is an employee or agent of the Contractor or subcontractor shall display his or her company ID badge at all times while on State premises. Upon request of authorized State personnel, each such employee or agent shall provide additional photo identification.
(b) At all times at any facility, the Contractor’s personnel shall cooperate with State site requirements that include but are not limited to being prepared to be escorted at all times, providing information for badge issuance, and wearing the badge in a visual location at all times.

3.3.2 Information Technology

(a) Contractors shall comply with and adhere to the State IT Security Policy and Standards. These policies may be revised from time to time and the Contractor shall comply with all such revisions. Updated and revised versions of the State IT Policy and Standards are available online at: www.doit.maryland.gov – keyword: Security Policy.

(b) The Contractor shall not connect any of its own equipment to a State LAN/WAN without prior written approval by the State. The Contractor shall complete any necessary paperwork as directed and coordinated with the Contract Monitor to obtain approval by the State to connect Contractor-owned equipment to a State LAN/WAN.

3.3.3 Criminal Background Check

Contractor Is Responsible for Background Check

The Contractor shall obtain from each prospective employee a signed statement permitting a criminal background check. The Contractor shall secure at its own expense a Maryland State Police and/or FBI background check and shall provide the Contract Monitor with completed checks on all new employees prior to assignment. The Contractor may not assign an employee with a criminal record unless prior written approval is obtained from the Contract Monitor.

3.6 Invoicing

3.6.1 General

(a) All invoices for services shall be signed by the Contractor and submitted to the Contract Monitor. All invoices shall include the following information:

- Contractor name;
