

2022 April Capital Grants – Administered by the Maryland Department of General Services

Baltimore Pumphouse's grant totaling \$75,000 will enhance safety and attract new residents and visitors to several new developments underway north of the rail line. The landmark will also help connect residents to amenities that are south of the rail line. (Baltimore City)

Blue Line Corridor Public Art Projects is utilizing their \$1,000,000 grant to provide benefits in terms of economic development, community engagement, destination wayfinding and improving pedestrian and bike-able experiences. (Prince George's County)

Clay Hill Public Charter School grant totaling \$300,000 will assist with a demand from parents for a whole-child education and an 1,800-seat deficit, causing overcrowding and the highest school building utilization rate of Baltimore's six planning areas. Knowing these factors, PPPCS, Inc. decided to build on our history of excellence and open CHPCS to serve 540 more students with our signature whole-child education. (Baltimore City)

East Baltimore Community School, Inc. is utilizing their \$100,000 capital grant renovations of the East Baltimore Historical Library. (Baltimore City)

Fairland Recreation Park is utilizing their \$100,000 grant to provide a natural-surface bike trail skills park to serve a wide range of users with varying skill levels. (Montgomery County)

Green Branch Athletic Complex grant totaling \$6,300,000 will be utilized to develop the Liberty Sports Park that will provide access for community youth sports. (Prince George's County)

Sotterley Plantation's \$50,000 grant will be utilized to repair, preservation and/or restoration work on this historic structure and will include infrastructure upgrades. (St. Mary's County)

Lexington Market will utilize their \$2,000,000 to demolish the Arcade and create a public plaza between Eutaw and Paca Streets, relocating vendors to the current East Market and constructing a new 61,000sq ft building on the existing surface parking lot, called South Market. (Baltimore City)

Liberty Sports Park will utilize their \$3,500,000 grant to feature a unique, multi-use athletic field complex located on a 76-acre site- including a stadium field for competitions for lacrosse, soccer, football, field hockey, rugby and ultimate frisbee for the Prince George's County community and Mid-Atlantic Region. (Prince George's County)

Mace's Lane Community Center is utilizing their \$500,000 grant to renovate the Old Mace's Lane High School and repurpose it as the Mace's Lane Community Center- including the engineering and design of the building and program rooms, developing mitigation of any hazardous materials, RFP development and the construction and selective demolition of the building. (Dorchester County)

Northeast Family Life Center's grant totaling \$50,000 plans to erect a Community Center to provide personal, social and workforce development to members of northeast Baltimore. (Baltimore City)

The Quince Orchard Colored School will utilize their \$90,000 to establish a multi-purpose center within the confines of the three acre-site, that collects, maintain, and exhibit artifacts, memorabilia, and documents illustrative of the area's history. (Montgomery County)

Sinai Hospital of Baltimore will utilize their \$3,500,000 to assist in the renovation and expansion of the neonatal intensive care unit at Sinai Hospital of Baltimore, Inc. (Baltimore City)

Stevenson University-Rosewood Property Environmental Abatement is utilizing their \$6,000,000 grant to design and construct the environmental abatement and demolition of buildings on the Rosewood property, including any appropriate site surveys and investigation and design and construct site development and utility improvements including, but not limited to, roads, sidewalks. Parking stormwater management, and utility connections and disconnections on the Rosewood Property. (Baltimore County)

Annapolis Overhead Utilities Undergrounding will utilize their \$250,000 to retain an engineering firm to determine the alignment that needs to be followed for undergrounding utilities throughout the City of Annapolis (Anne Arundel County)

BlackRock Center for the Arts will utilize their \$250,000 to obtain rentals for our facility during non-arts programming time and to enhance and expand our arts education and outreach programming. (Montgomery County)

City of Annapolis- Parks and Playgrounds grant totals \$1,000,000 to enhance four parks and playgrounds in the Annapolis area. (Anne Arundel County)

City of District Heights Senior Day Facility will utilize their \$1,200,000 grant to construct 11,000 sq ft. addition to the District Heights Municipal Building to be used as a Senior Day Facility. (Prince George's County)

Liberty Community Development Youth Center will utilize their \$550,000 grant to construct a new 10,000 sq ft community youth center to enhance the quality of life for residents in Central Maryland by providing a safe place for youth and families with access to key services and programs. (Baltimore County)

Willet Branch Greenway will utilize their \$400,000 grant to acquire land to create the future Willett Branch Greenway in the Westbard community by transforming a degraded, channelized stream into a community amenity and will improve ecological functioning of the Willet Branch stream. The Greenway will also provide pedestrian and bicycle with nearby parks. (Montgomery County)

Hampden Family Center will utilize their \$110,000 grant to renovate the facility to maximize space and expand the facility's capacity as a service provider of Hampden's low-income community to allow enhanced program offerings (Baltimore City)
